

Apprentice Lineworker-Riviera Utilities

Advance your career in Foley, Alabama, just a short drive from Alabama's beautiful beaches, with a progressive Utility committed to providing exceptional value to our customers, employees, and community.

Riviera Utilities is searching for an extraordinary candidate to fill a job vacancy for Apprentice Lineworker. This position is responsible for assisting experienced lineworkers in constructing, operating and maintaining both overhead and underground electric transmission and distribution systems. During the Apprenticeship program, you will learn the duties and responsibilities of a Lineworker with supervision by a Crew Chief, Journey, or Lead Lineworker and observe precautionary work methods and use safety equipment due to electrical hazards present when working on or near energized conductors and electrical accessories.

We are considering applicants with qualifications in the following range with salary commensurate with education and experience:

MIMIMUM QUALIFICATIONS

High school diploma or equivalent and

- 2 years' experience as a Ground Worker or comparable entry level experience with a utility company building and maintaining distribution and transmission circuits.

QUALIFICATIONS UP TO

- Completion of a 3 year structured Apprentice Lineworker program within a utility company with at least 2 additional years of experience as a Ground Worker or comparable experience with a utility company building and maintaining distribution and transmission circuits, OR
- 5 years' experience with a utility company building and maintaining distribution and transmission circuits and completion of an Apprentice Lineworker Pre-Assessment, OR

- Graduation from a certified lineman training college or program and at least 4 years (8000 hours) of on the job experience with a utility company building and maintaining distribution and transmission circuits.
- A valid certificate of completion from another lineworker apprenticeship program may, at employer's sole discretion, be accepted in lieu of some of the years of required work experience.

Applications will be accepted for this open position through Friday, March 30, 2018. Interested individuals should go to our website at www.rivierautilities.com to review the Job Description for this opening, click on the *Application* link, complete the application, and submit it by the deadline. Call Human Resources at 251-943-5001 for more information about the position.
